

The “circle” which is the symbol of AngelaCARES, Inc. illustrates unity, wholeness, and infinity. When you look at the “circle,” you see that there is no beginning or end, no sides or corners. The “circle” represents safety (for our seniors), connection (joining our youth and seniors), and wholeness (providing seniors caregivers support). The circle suggests community, integrity, and excellence, which is a direct correlation of AngelaCARES, Inc.’s purpose.

WE THANK YOU FOR YOUR SUPPORT!

Our goal is to strengthen communities by enhancing the quality of life through empowering our seniors, their caregivers and the youth.

Joining Our Youth & Seniors (J.O.Y.S.)

Joining Our Youth & Seniors (J.O.Y.S.) project connects youth and seniors via activities that promote interaction between the youth and senior populations. Through these activities, this youth mentorship project emphasizes the importance of volunteering and the positive effects it has on the community, mainly the senior population. The project advances the personal development of the youth in areas such as self-fulfillment, character building, self-confidence, and self-esteem. Another result of this project is that the seniors act as another positive role model in the lives of the youth by giving advice and passing down wisdom from their life experiences. The project provides skills training and a direct link to activities within the community that are educational and stimulating to the mind.
